

## ATM USD withdrawals in LBP at BDL circular No. 151 exchange rate FAQs

### 1. What is BDL's circular No. 151 about?

The circular is about enabling eligible account holders to withdraw cash from their USD account(s) in LBP currency at the exchange rate set by the Lebanese Central Bank (BDL).

### 2. How can I benefit from BDL's circular No. 151?

You can benefit from BDL's circular No. 151 immediately, unless you are also eligible for BDL's circular No. 148. In this case, you have to wait until the expiry date of circular No. 148, which is July 3, 2020, to be able to benefit from circular No. 151.

### 3. For how long can I benefit from BDL's circular No. 151?

The BDL's circular No. 151 expires on October 21, 2020.

### 4. What exchange rate will be applied on my withdrawals?

BBAC will apply the BDL circular 151 exchange rate effective on the date of withdrawal and that is set on a weekly basis.

### 5. Are there any cash withdrawal fees?

There are no fees for withdrawals related to BDL's circular No. 151.

### 6. If I want to make an LBP cash withdrawal that is more than what I am entitled to, will the BDL circular 151 exchange rate still apply?

No, the official exchange rate will apply if you want to make a withdrawal that is more than your LBP limit.

### 7. How many times can I perform a cash withdrawal transaction?

As long as you are within your LBP monthly withdrawal limit and have not exceeded your daily card limit, you can perform as many withdrawal transactions as you wish.
